Guideline of One-Page Summary

- An easy way to summarize a paper and point out its technical contribution and novelty is to prepare one-page slide for each paper. This slide is called “One-Page Summary.”
- One-page Summary that includes **OOCME**:
 - **Observation**: The issues or trends observed
 - **Objective (Goal)**: The objectives after resolving the observed issues
 - **Challenge**: The challenges to resolve the issues and achieve the goal
 - **Main Idea (Proposed Method)**: The solution to resolve the challenges
 - **Main idea** leads to the **novelty** of a paper
 - **The proposed method** leads to the **technical contribution** of a paper
 - **Evaluation**:
 - Experiment setups, platform/environment, simulation/implementation, compared methods, workloads/benchmarks, metrics, results, etc.
